

# Creator in Residence: STEAM Imaging V Holding the 'Digital' in Medicine to Account - Equality, Diversity & Inclusion Monitoring Form

---

## What data are we collecting?

The Equalities Monitoring Information will be used by the Institute of Design Informatics (IDI), University of Edinburgh and our partner the Fraunhofer Institute for Digital Medicine MEVIS, in Bremen, Germany. Your data will be held and used by the IDI team based at the University of Edinburgh with some anonymised and aggregated data shared with our partners at MEVIS.

## How will the data be used?

As part of our ongoing work at IDI we are monitoring the diversity of the applications we receive to ensure we are reaching and serving appropriate diverse audiences. This information also enables us to provide anonymised demographic reporting to funders, partners and stakeholders to ensure our work is open and accountable in our commitment to diversity and equality.

The information we collect will not relate to our assessment of your proposal for the residency opportunity, but is captured separately and for monitoring only. We include questions on age, gender, ethnicity, disability, and sexual orientation - all defined 'protected characteristics' in The Equality Act 2010. As this information is sensitive and personal these questions are optional, but (where provided) this data does contribute to our ongoing review and improvement of our programme. We will always ensure that equality and diversity monitoring data is reported anonymously and with respect for your privacy.

## Consent

In providing your completed response to these equality and diversity questions, you are giving explicit consent for us to use this data in our programme monitoring and reporting processes. The data is managed confidentially and will not have any bearing on your application to the Programme. Your data will only be reported in anonymous aggregated forms and will always be processed in accordance with the Data Protection Act 2018 and therefore also in accordance with the General Data Protection Regulation (GDPR).

If you prefer not to provide this information, please indicate this in the 'Prefer not to answer' box for the appropriate question(s). Applicants can withdraw or modify their consent to collection and processing of personal information at any time by writing to [designinformatics@ed.ac.uk](mailto:designinformatics@ed.ac.uk).

1. Please indicate your age range:

18 – 24	<input type="checkbox"/>
25 – 35	<input type="checkbox"/>
35 – 44	<input type="checkbox"/>
45 – 54	<input type="checkbox"/>
55 – 64	<input type="checkbox"/>
65+	<input type="checkbox"/>
Prefer not to answer	<input type="checkbox"/>
